

AAUW Austin Branch Local Scholarships

Upon the completion of the UT Fellowship endowment, Austin Branch started providing funds for other local schools and projects, including for women students at St. Edward's University, Huston-Tillotson University, and Austin Community College (ACC). The AAUW/Frances Malmberg Endowed Scholarship in the Austin Community College Foundation was made possible in 2004 by branch member and former branch president Frances Malmberg's legacy, and it is available to assist female students, 25 years or older enrolled at ACC. To apply, see:

<https://austincc.academicworks.com/opportunities/2459>
