## BRANCH BULLETIN BOARD

### Successful October Silent Auction Benefits Education Opportunity Fund

The silent auction at the October general meeting was fun and successful again, raising funds for AAUW Funds, particularly the Education Opportunity Fund. The lucky bidders went home with two autographed books, a variety of practical or decorative household items, and two tickets for the Long Center Presents 2010-11 season. The real bargains were Louis Vuitton items retailing for \$165 and \$300 which sold for \$6 and \$5, respectively! Even our speaker shopped!

The auction raised \$444 and the Collin Street Bakery cake raffle raised \$68. Winners of the rum cake and fruitcake were Joyce Pulich and Janie Maldonado, respectively. A total of \$512 was sent to National for Fund 4324 (Ann Richards American Fellowship fund). A big thank you to all who contributed to our success!

Anita Knight, AAUW Funds Co-Chair

### Branch Treasury Will Benefit from Barnes & Noble Gift Wrapping Opportunity

Do you look forward to the winter holidays? Do you enjoy the excitement surrounding gift giving? The Barnes & Noble Booksellers (Arboretum) have given us the opportunity to participate in their yearly outreach to Austin non-

profit organizations. Austin Branch members are set to wrap gifts for B & N shoppers on Wednesday, December 8 from 5–9 p.m., Sunday, December 12 from 10 a.m.–3 p.m., and Monday, December 20 from 1–6 p.m. B & N provides all the paper, tape, and scissors. The times will be divided into 2 or 2½ hour shifts with two or three people each time. Be sure to sign up at the November 13 branch meeting.

The Austin Branch treasury is the beneficiary of 100% of the monies donated by B & N shoppers. We will be able to informally promote AAUW, allowing us to gain more visibility in the community. Over their loud speaker B & N will occasionally be encouraging their customers to stop by our table to have their purchases wrapped.

If you are unable to attend the November branch meeting, but would like to join in the fun, contact me at 834-9481 or [gsimpler@mail.utexas.edu](mailto:gsimpler@mail.utexas.edu). Early Season's Greetings!

Gail Simpler, AAUW Funds Co-Chair

### Raemar Shown Passes the EYH Clipboard

After twenty years of faithful and dedicated service to Expanding Your Horizons, Raemar Shown has decided to take a less active role in coordinating our Branch EYH activities with *Girlstart*. Branch President Kay Watson has appointed Adrian McCulloch as the new EYH coordinator.

Expanding Your Horizons (EYH) conferences began over thirty-five years ago through the EYH Network at Mills College in Oakland, California. The EYH Network, (formerly the Math/Science Network) started in 1974 as an informal group of women scientists and educators in the San Francisco Bay Area who were concerned about low female participation in math courses. Then, in 1990 a few members of the Austin Branch of AAUW founded T.W.I.S.T. (Tomorrow's Women in Science and Technology), Inc., a separate local non-profit organization to support the national EYH program headquartered in California and to promote STEM activities for girls in Austin. Nancy Myers was their treasurer, and Raemar and Elaine Kant were active in the organization for which our branch provided volunteers. Since the early 1990s branch members have participated in the annual EYH conferences in Austin, and we continue to contribute volunteers to the program now sponsored by *Girlstart*. Adrian will soon be requesting your assistance for the Spring 2011 conference at UT! Please say "yes" to her request for just one Saturday morning of your time in March or April!

### Some Great Reasons for Buying Collin Street Bakery Fruitcakes!

Quality, tin, experience, reorder rate, shipping, individually baked, great taste, and "profit" for us! The Austin Branch of AAUW has loyal customers for the fruitcakes and other delicious baked goods and gift items. ## MEMBERSHIP NOTES

Submitted by Marsha Endahl Kramer, Membership VP

By now all our 156 members should have received a 2010-2011 yearbook, a membership card with a number that allows access to the “Members’ Only” section of our national web site (aauw.org), and the September and October newsletters. On the national website one is able to print a branch roster and past contributions to national funds, as well as being able to view state and national officers and their contacts, plus deadlines for scholarships, fellowships and community grants. There are links to the many benefits of membership AAUW offers as well as a link to the Women’s History Online Museum.

Most importantly, as an educated, bright, thinking woman you will find the website essential for keeping up with current issues affecting women and families. A topic you have undoubtedly heard about recently is the increase in bullying in the classrooms and halls of our schools. Our AAUW research study on this topic offers solutions after clearly explaining the issues identified in this challenge. The “Why So Few” research study offers clear explanations of why girls and women do not enter engineering, science, math and technology. Become informed, whether it’s for your own cocktail party or soccer mom gathering or so you will have a clear perspective for your family, friends, colleagues, employers or employees.

To know what is happening, our branch web site <[www.main.org/waauw](http://www.main.org/waauw)> is constantly being updated (thanks to Webmaster Melinda Townsell.) Our newsletter is informative, accurate, and is a great marketing tool to perspective members. Print an extra copy to share with a potential member! Special events are advertised and are for the most part open to all members, and if the Board feels an issue is timely, important, and requires instant action, an e-mail will be sent to the “e-address” listed in the yearbook. The state website has undergone updates as well: <[www.aauwtexas.org](http://www.aauwtexas.org)>

Corrections to the Yearbook should be sent to Marsha Endahl Kramer, VP-Membership (53) 906-2033 [HughMarsha@aol.com](mailto:HughMarsha@aol.com) (512) 906-2033. So far, Mary Cunningham Hedrick does NOT have an email address, and Pam Porcella’s apartment is # 805.

Progress on Career and Interest PDFs - Some members renewed this year with forms completed and others have database information that is over ten years old. In the next two months a membership committee member (Natalie Balden, Peggy Holland, Veronica Johnson, Gail Simpler, Ginny Tannebring, and Dorothy Vance) will contact you to insure we have the most important information about your careers, special interests, hobbies, sports, etc. An updated database will facilitate networking, leadership development, and friendship among Branch members.

## MORE ABOUT NEW AND RENEWING MEMBERS

Submitted by Marsha Endahl Kramer, Membership VP

Congratulations to new member Jocelyn Rose Bingham Brandt on her marriage to Bradley Brandt on October 23! She will keep all her names but please add Brandt to your directory.

Please add newly renewed member Linda Stone Bush to your directory. Her contact information is: 79271 Escala Dr., Austin, TX 78735; (512) 891-7733 (Cell); (512) 633-4499; fax (512) 891-7723; [brainybush@aol.com](mailto:brainybush@aol.com). Linda has a BS in accounting from LSU in Baton Rouge, and she works for Prudential Realtors and was their Outstanding Agent for 2009. She is a platinum level travel agent with Global Travel (group travel to fun places), and she is also a recipient of the Avon Leadership Award. Linda published the preliminary "Deals Around Austin" (shopping deals, clothes, and selling houses) and serves on the board of directors of the Austin Symphony Orchestra and Austin Lyric Opera. She is also a life master bridge player.

Renewed member Lynn Cooksey is an advocate for international citizen diplomacy, is interested in genealogy, public policy, politics, international travel, reading, mysteries, and in spending time with her grandchildren.

Past VP of Membership Peggy Holland is interested in bridge, reading, Delta Sigma Theta Sorority. Peggy is the Past President of the Retired Officers' Wives Club, a charter member of UT EB Chapter, an AAUW Texas Woman of Distinction, and she made a cameo appearance in the movie "When I Rise" in 2010. Peggy sewed, stitched and decorated the lovely gift wine holders for the successful AAUW-Austin EF fundraising effort last year, and she is actively involved with her grandchildren.

Beulah Curry-Jones is a professor emerita, an "Austin Living Legend" (1998), was the 2003 recipient of the Dr. L. Kirven Lifetime Achievement Award presented by the Texas African Heritage Organization (TAAHO) and was inducted into its Hall of Fame. Her interests are bridge, travel, the arts, music, public speaking, music education, and ethnic issues. She is the daughter of late member Beulah M. Thompson.

Renewing member Aurea Reyes is interested in physical exercise, dance aerobics, aging gracefully, and gardening.

Lillian Reyes Gates is interested in reading, gardening, modern art, concerts, and festivals.

Here is a suggestion regarding membership connections: take time to get to know each other while dining during our general meetings or while attending our special interest groups. Last month, while chatting with new and long time members about mid-eastern politics, cultural similarities and differences, and comparative religion, a few of us were inspired to enroll in UT's seventeen-week NOVA Lifetime Learning program. Think about sitting with members with whom you are unfamiliar once in a while! Our members have led fascinating lives and are still actively creating new footsteps in our community!

Do you know which board member is a licensed pilot? Who plays tennis? Who is a photographer? A clinical social worker? Who helped train the Toronto Police Department in domestic violence response and worked in an infant development research project comparing city to family daycares and stay-at-home moms? Who has a clown and Barbie collection, and who is an ordained minister? How many of our members are also members of Delta Kappa Gamma and serves on their board?

The answers to all the above will be in the PDF document as soon as you complete your member information forms! Please do return the calls, e-mails and letters from the membership committee volunteer who contacts you!

## Cancer Claims Life of Branch Member

Rita Anne (Lawyer) Kraft, (67) of Austin, Texas, died October 2, 2010, after a fierce fight with cancer. She was born March 19, 1943, in Dayton, Ohio to John Russell and Frances Elizabeth (Reese) Lawyer.

Rita grew up in Zanesville, Ohio, where she attended St. Nicholas grade school then graduated from Bishop Rosecrans High School in 1961. She graduated from The Ohio State University with a bachelor's degree (medical technology) in 1965. She met her future husband, Leland Milo Kraft, Jr., there, and they were married on September 2, 1967. Their first daughter, Lisa Anne, was born in 1968 in Columbus, Ohio, followed by their second daughter, Michelle Leigh in 1969 in Opelika, Alabama.

Rita worked for several years in the medical field and in food research, finally getting her real estate broker's license in California in 1989. She was an active realtor and involved in community affairs for many years in Camarillo, California. Rita and Lee moved to Austin in 2007 to be near their daughter Michelle and family. She retired, but kept busy volunteering for Mobile Loaves and Fishes, church blood drives, and Habitat for Humanity, and was a member of St. Thomas More Parish. Rita loved being with her family and spoiling her five grandchildren, walking, cooking, doing crossword puzzles, reading, playing bunco, and being with her friends.

Surviving are Lee, her husband of 43 years; daughter Lisa Bermudez (husband Chris) of Oxnard, California; and daughter Michelle Murray (husband Peter) of Austin, Texas, and five grandchildren including Christian, Cali, and Curren Bermudez of Oxnard, and Connor and Tanner Murray of Austin; her sister Jean Hooper of Zanesville, Ohio; and several nieces and nephews and their children, two uncles and one aunt.
